We thank our seasonal sponsors, media sponsors, and local community foundations for their support.

As a center for extraordinary glass experiences, Bergstrom-Mahler Museum of Glass offers unique discoveries to spark fun, kindle creativity, and illuminate learning for all. We are pleased to exhibit glass art made by area high school students in this, the **2023 Fox Valley Area High School Glass Exhibition**. After creating glass art in the classroom and in the museum Glass Studio, students have the opportunity to share their work in this public setting.

Bergstrom-Mahler Museum of Glass strives to expose the community to the versatility of glass while encouraging the creativity of talented young artists in the area with this annual exhibit.

Exhibition award sponsorships supported in part by the Lilian Noble Memorial Fund, Oshkosh Fine Arts Association, Jack Richeson & Co., The Art Haus, and Mud and Prints, LLC.

Don't miss the exhibition special celebrations!
